SUBJECT: Request for Speakers for SI Course 1/64 (8 July - 2 Aug 63)

Director of Training
Central Intelligence Agency
Washington, D. C.

Dear Sir:

1. The Defense Intelligence School would be very appreciative if speakers could be designated by your office to make presentations to the next Strategic Intelligence Course at the Main Navy location. The topics, scheduled dates and times of the presentations requested are shown on the attachment.
2. At this time we estimate there will be approximately 45 Strategic Intelligence students in this class. These students will be commissioned officers or civilian employees whose actual or anticipated assignment is to an intelligence function within the community or to major subordinate commands of all three services. In addition, you will note on the attachment that the current Attache Class will attend designated lectures. All students will be cleared for access to Top Secret security information.
3. It is requested that we be advised of the names of the speakers together with their clearances and security classification of their lectures by 20 June 1963, in order that we may complete our preparations for this class. It is also requested that our action officer, Lt Col Wyly K. Jones, extension 64078/62575, be authorized direct liaison in administrative matters covering these classes.

Sincerely yours,

LEE WALLACE
Colonel, USA
Deputy Commandant
